# The Location – Flagstaff, AZ

Located at the intersection of Interstates I-17 & I-40 at the base of the San Francisco Peaks, Flagstaff is the largest city in Northern Arizona.

Flagstaff is surrounded by one of the largest pine forests on Earth and at nearly 7,000 feet, it is one of the highest elevation cities in the United States.

The great weather and proximity to the Grand Canyon, Sedona, Route 66 and more, makes it an ideal location for a gathering of the 356 faithful.

# Regional Highlights – Everywhere

Flagstaff and Northern Arizona offer a wide array of local interesting attractions beyond the majestic Grand Canyon and Sedona...
